

Vladyslav Panik

Product Designer

I love design digital products. Work across research, UX and interface design. I enjoy simplifying complex systems and building scalable design foundations.

Bratislava, Slovakia

Nov 2025 - Now

Product & Experience Designer

Swiss Re, Bratislava, SK

Design interfaces for complex insurance workflows. Working in the Property & Casualty division on internal and client-facing reinsurance products used globally.

Jun 2023 - Oct 2025

Lead Product Designer

Everlution Software, Bratislava, SK

Started as UX/UI Designer and progressed to Senior Product Designer, owning end-to-end product design across multiple outsourced client projects.

Oct 2023 - Current

Design Education Mentor

Remote, Riga, LV

Mentored aspiring designers in UX/UI, covering fundamentals, UI Kits, design systems, portfolio building and career guidance through structured practical sessions.

Oct 2022 - Nov 2025

CEO, Lead Designer

Argon, Košice, SK

Founded and led a student full-stack team building independent digital products. This role strengthened my product ownership and decision-making skills.

Apr 2019 - Jun 2023

Freelance Graphic Designer

Remote, Contract

Worked on branding, visual systems and early product interfaces. This period about my visual foundation before moving fully into product design.

Other roles:

Founding Designer of **seedfa.st**, Exhibition UI Designer at **Steelpark Košice**, Graphic Designer at **Monte eSports** and more.
